***Congratulations!***

You have made the decision to have your child baptized in the church, before God and witnesses of the faith. Parents have a primary responsibility for passing on faith to their children. Parents can help their children's spiritual development and teach them how to live a life true to the gospel; to worship God and learn from the scriptures and to prepare them to make a personal commitment to Jesus Christ. You can teach your children through regular attendance at worship and Sunday School and participation in Christian service and fellowship.
